Norton's "Racing Labs"...motorcycles run on the "ragged edge" constantly, so that your Norton that you buy is safe and reliable. Norton builds into regular production models the features that have made Norton the unequalled all-time winner on the racing circuits of the world. Why do international champions choose Norton? Simple. They require the best that money can buy...Should you be satisfied with anything less? See the Unapproachable Norton line at your dealer's, or send to us for free literature.
